

Direct 10/5 manufacturer support and security updates

R&S[®]NC SUPPORT Direct 10/5

For the long-term protection of R&S[®]LANCOM devices, [R&S[®]NC Support Direct 10/5](#) provides you with fast access to our in-depth know-how and technical support: qualified assistance is available within four hours during service hours (Monday to Friday, 8 a.m. to 6 p.m. (CET)) – and even within just two hours if you report massive operational disruptions by telephone. In addition, continuous security updates ensure compliance with the latest security standards and sustainable coverage of the entire IT infrastructure against cyber risks.

- ▶ Direct manufacturer support with 10/5 availability for all R&S[®]LANCOM devices
- ▶ Guaranteed first response time of max. two hours for reporting massive operational disruptions by telephone (priority 1) *
- ▶ Service hours from Monday to Friday from 8 a.m. to 6 p.m. (CET) with an first response time of max. four hours for concerns outside of massive operational disruptions (priority 2) *
- ▶ Security updates for reliable, secure device operation during runtime
- ▶ Term-based for 1, 3, or 5 years and available as S, M, L, and XL variants depending on device type, renewable until the End of Life of the device by re-registration

* For detailed information on priority levels incl. response times and availability, please refer to the R&S[®]NC Support manual or the product website.

R&S®NC SUPPORT DIRECT 10/5

Fast, prioritized support directly from the manufacturer

When it comes to managing and efficiently operating networks, high system availability goes hand in hand with guaranteed response times when problems arise. Therefore, access professional help directly from the manufacturer for the registered device – regardless of the [Lifecycle Management](#) phase the R&S®LANCOM device is in. You also benefit from prioritized handling of your concern including an automatic callback guarantee. If you report a massive operational disruption by telephone, we will take care of your concern within two hours so that your services are running again within a short time.

For optimal cooperation, we recommend participation in the [R&S®NC Academy Specialist Workshop](#).

Service times with guaranteed first response times

Do you have hardware problems, configuration or information requests for which you need our support? Our experts will help you during service hours from 8 a.m. to 6 p.m. (CET) on business days (10/5). We handle your support case with an first response time of max. four hours.

High planning reliability with security updates

Plan ahead and benefit from full protection for all R&S®LANCOM devices to ensure reliable business operations, especially in long-term projects. This includes free security updates of the respective operating system to ensure that the registered device is always running at the highest level of security.

For more information on software maintenance and the product lifecycle of your device, please visit the [Lifecycle Management website](#).

Conditions

- ▶ The service hours of 8 a.m. to 6 p.m. (CET) on business days do not include regional holidays in Wuersele, Germany.
- ▶ R&S®NC Support Direct 10/5 can be registered at any time and is renewable until the End of Life of the R&S®LANCOM device.
- ▶ R&S®NC Support Direct 10/5 is bound to a specific device (serial number) and is not transferable.
