

# EU DECLARATION OF CONFORMITY

## Technical Guideline

### Secure Broadband Routers BSI TR-03148

The company \*

#### **Rohde & Schwarz Networks and Cybersecurity GmbH**

Adenauerstr. 20/B2 | 52146 Wuerselen | Germany

declares that all LANCOM routers and R&S®LANCOM routers with the operating system LCOS 10.50 or higher meet the requirements of the Technical Guideline "Secure Broadband Router" of the German Federal Office for Information Security (BSI), TR-03148 Version 1.2, dated January 16th, 2023.

The Technical Guideline defines fundamental security requirements for Internet routers with the aim of providing a higher level of protection to users of the Internet.

Wuerselen, July 1<sup>st</sup> 2026

i.r. Udo Brocker, Director Engineering

\* Since July 1, 2026, LANCOM Systems has been named Rohde & Schwarz Networks and Cybersecurity. Product information and communication materials are accordingly issued under the new company name. As part of the transition to Rohde & Schwarz Networks and Cybersecurity, existing LANCOM products will be listed under new designations. The previous product designation is provided as supplementary information to support clear findability and identification of the products. Product identity, functionality, and compatibility remain unchanged.
